

BLACKFOOT

2019 SPECIAL ACCESS SURCHARGE ANNUAL CERTIFICATION

CUSTOMER INFORMATION			
Legal Name		BAN	
<p>As providers of interstate telecommunications services under JSI FCC Tariff No. 1, certain Blackfoot companies are required to charge a Special Access Surcharge, based on its sales. In some cases, however, purchasers of Blackfoot services may be exempt from paying the Special Access Surcharges under the FCC rules. This form is used to determine whether your company is subject to Special Access Surcharges and where applicable for you to certify your exempt status.</p> <p>If you mark exempt for any of the items below, by signing the form you are additionally certifying to the following statement: <i>"I certify under penalty of perjury that my company or organization is purchasing a telecommunications service for which exemption is allowable by law. By selecting exempt for a specific organization type and signing below I am certifying that my company or organization qualifies for the exemption. I agree to notify Blackfoot in writing when the basis for exemption changes or ceases to exist."</i></p>			
CUSTOMER EXEMPT STATUS			
	Exempt	Not Exempt	
1. Open-ended Termination			
Customer certifies that the special access circuit is an open-ended termination in a switch of an FX line, including CCSA and CCSA-equivalent ONALS.			
2. Radio or Television			
Customer certifies that the circuit is an analog channel termination that is used for radio or television transmission.			
3. Telex Service			
Customer certifies that the circuit is for provision of a Telex service.			
4. Non-assessable Service			
Customer certifies that the service interconnects either directly or indirectly to the local exchange network as a switched access service such as FGD, special access service between customer points of termination, connects CCSA or CCSA-type Equipment, does not interconnect with local exchange lines, or is not connected to a PBX or other device which interconnects the special access facility to a local exchange subscriber line.			
<p>If you did not select exempt above then you understand you will be billed for the Special Access Surcharge by Blackfoot Telephone Cooperative, Inc. and/or Fremont Telcom Co. If you are exempt from the surcharge for multiple circuits please provide the exempt circuit Ids on a separate sheet.</p>
